

Taxation of local authorities in the Canton Schwyz

These are taxation rates in percentages of a unit.

The unit of progressive income tax for individuals is defined in § 36 of the Taxation Act for the Canton Schwyz. The progression stops from a taxable income of CHF 386'000 (single). The unit of proportional asset tax is 0.6 per thousand on the taxable asset (§ 48).

The unit of proportional profit tax for public limited companies and cooperatives is set out in § 71 of the Taxation Act. It is 1.95 per cent on the taxable net profit with credit of minimal tax. The proportional minimal tax is 0.03 per thousand on the taxable equity (§ 82).
