For emergencies and on-site assistance, call:

#### Police emergencies

Phone: **117**

You may file charges at any police station. A victim of a sexual integrity violation is counseled by someone of the same sex; children are generally counseled by women.

If you have been victim to physical or sexual violence, you ought to have medical assistance and get a doctor's certificate.

If your family doctor is not available, you obtain emergency help and the address and phone number of an emergency doctor by calling **144**.

#### And if you have to evacuate your home?

In case you decide you must leave your joint home, you are advised to take with you:

- your passport or identity card and family booklet
- bank card, cash, or both
- the keys to your apartment or house
- prescription medication
- necessary clothing
- your child's favorite toys and school material
